

Warranty Form
DRYFT

DRYFT guarantees all of our products against defects in workmanship or materials. Items that are deemed defective will be replaced or repaired by DRYFT. If your product fails due to a defect in manufacturing or materials, where possible we will repair at no charge to you. If the product is not repairable we may, at our discretion, choose to replace the product instead. Gear damaged through normal wear and tear, misuse, or neglect will be repaired when possible for a small fee. This warranty does not cover failure due to accidents, improper care, normal wear and tear of materials over time or damage caused by anything other than defects in material or workmanship. Excessive dirt, oils, salt crust buildup, or signs of misuse may void warranty. Retail warranty covers the product for the original owner for the usable life of the product. This warranty applies to consumer use only and is null and void if the product is used in a manner it is not intended for. Warranty is limited, at our discretion, to the repair or replacement of the product only and may additionally be limited by the manufacturers warranty on components such as the YKK one year warranty on zippers. Receipt or proof of purchase must be included with all warranty claims.

Repair service

For any other problems, we're happy to offer repair service. If you have gear that is need of repair contact us for more information and we will process a repair or put you in touch with a reputable repair shop. Clean and dry your gear before sending it in. Soiled or dirty gear will not be worked on and will be sent back. For repairs, in some cases if the repair needed is extensive and requires intensive labor and materials then an additional charge may be required. We will always consult with you prior to doing any work that requires additional cost, and will contact you with options prior to starting any work.

Start a warranty claim or repair request

To start a warranty or repair claim please send the product freight paid and insured to:

**DRYFT Warranty
PO Box 1023
Bellingham WA 98227**

- 1. Send the product shipping paid and insured to DRYFT Warranty PO Box 1023, Bellingham WA 98227. We recommend using USPS Priority mail for your return, insuring the shipment and getting a tracking number for your records. UPS will not ship to our PO box.**
- 2. Include a copy of your receipt and a note explaining the problem and areas of concern.**
- 3. Include \$35 to cover processing and return shipping.**
- 4. Please clean and dry your gear before sending it in. We can't work on dirty or soiled gear (bait goo, fish blood, mildew, etc), so please wipe them down before sending in and be sure they are clean, dry inside and out and free of odors. Excessively dirty gear will not be worked on.**
